

## **RFP-Comprehensive User Fee Study and Full Cost Allocation Plan**

The following questions were received; the District's answers are highlighted below:

1. Has the District completed a cost allocation plan and/or fee study in the past?  
**No**
  - a. If so, when, and did the district complete the studies internally or with a consultant? **N/A**
  - b. Are copies of those reports available for vendors to review for purposes of developing a proposal? **N/A**
2. Has the District ever done a Cost Allocation and Fee Study before? **No**
  - a. If yes, when and by whom? **N/A**
3. To confirm, the scope of this study is non-rate based fees charged by the District? **Yes, that is correct.**  
For example, fees that are charged in conjunction with review and inspection of permits.

Email responses were also provided directly to the consulting groups that submitted the above questions.
